GOT QUESTIONS??

HOW DOES THIS WORK? Start out as clean as a newborn baby! Throughout the run you'll be coated with blue, green, pink, purple, and yellow until your face, shirt, and entire body come out silkscreened like a tie-dyed hippie on the other side.

Can I bring a pet? YES!! Four legged friends welcome with proof of up to date shot records, leash and identifying tags/collar at all times.

Is the race refundable? The race is non-refundable.

When can I get my race packet? Pick up your packet the day of event on July 14th beginning at 7:45am.

What should I wear? TONS of white!, or whatever you want that color powder will show your colorful spirit!

Is this run timed? What do I win? Not timed but the course closes at 10am! We don't even own a watch. At the finish line you'll be rewarded with a sense of accomplishment and an endorphin induced high.

Can I walk ? Of course! Just come and have fun!

Want to avoid the color? No problem! Just follow our marked out "NO CHALK" Lanes!

What's the best way to photograph this bad boy? We recommend a good buddy trotting along side you, a zip lock bag to keep your photo device safe, color free, water free and slow shutter speeds.

What if there is bad weather? We'll host event whether it's rain or shine. If there is lightning, we'll postpone the race until we have been in the clear for 30 minutes. Check the YMCA of Kewanee Facebook for weather status updates on event day.

How do I get Clean? For color powder we recommend soap, cold water, and perseverance...and another few suggestions: If you've got light colored hair, it helps to use some leave-in conditioner beforehand. Goggles, glasses (aviator or other) to cover your eyes will help. A bandanna never hurt anyone & keeps powder out of your hair, even a colorful wig can be fun! After the race, get all the dry powder out of your hair, clothes, teeth, etc. before adding cold water. It might take a few washes to get it out of your hair, just lather, rinse and repeat. We also recommend that you bring a towel or sheet to put on the seat of your car for driving home! Limited showers will be available at the YMCA of Kewanee (bring your own towel please) for those with lengthy travels. Bring a plastic bag to put your color powdered clothes & shoes in if you decide to change your attire.

How do I keep the color in my shirt? Your best bet is to never wash it and let the stink permeate through your house for decades. But let's be real, if you want the color to stay on shirt you are welcome to try these remedies but be warned...the color is made to come out of clothing after washing it.

- 1) Use spray adhesive post-race and let it dry before washing
- 2) Spray your shirt with vinegar, then iron it before washing.

I'm lonely. How do I invite my friends ? The Color Fun Prairie Run is like swimming or chess—it's better when you do it with friends. There are a few easy ways to do this: You can invite them through the Facebook Event page for the race you've registered for, call them and invite them, or a cute text. Either way, the more people, the more fun this becomes...it's like a colorful party in July!!

Can I just volunteer (Become part of the Color Cloud Squad)? Of course you can. Register to volunteer at www.kewaneymca.org !! **Must be 14 years of age, or older, to volunteer, NO exceptions!**

WHAT'S IN IT FOR ME? As you pass through this life you're faced with thousands of choices that shape who you are and what kind of person you'll become. This event has nothing to do with that! It's a fun event with no glory for the 1st crossing finish line and no shame for the last coming in - only large slops of color plastered all over you and your friends smiling faces. It'll brighten your day literally and figuratively; it'll liven up your Facebook page! Great for new conversation and fond memories! And let's be honest...the proceeds go to the Y and are used in your town! **So don't miss out and join us for the race that's going to make you happy and help children, teens and adults in your community live a healthier life!**
